Dear Sirs,-

We are anxious to get a good book on the coins of the World and would like to get a copy of "Scotts" if this is not out of print. If this is out of print we would greatly appreciate your sending us the best book that you know of, it must be profusely illustrated-- and not to cost more than \$ 3.50 to \$ 4.00

If you cannot secure one profusely illustrated would ask that you kindly send us the titles and prices of the books that you print and we will then take the matter up with our customer with a view of securing an order.

Yours truly,

LITCHFIELD'S LIMITED.
